

Instruction 2: Washer & Dryer Usage

Dear tenants,

As soon as you have recharged enough credit onto your transponder, you can use the washing machines and dryers. These are located in the basement of house 1 (Industrial).

Each wash cycle costs 3€. The use of the dryer costs 1,50€. It does not matter which washing/drying program you choose.

Please always make sure to pick up your laundry on time, so that the other tenants can use the equipment.

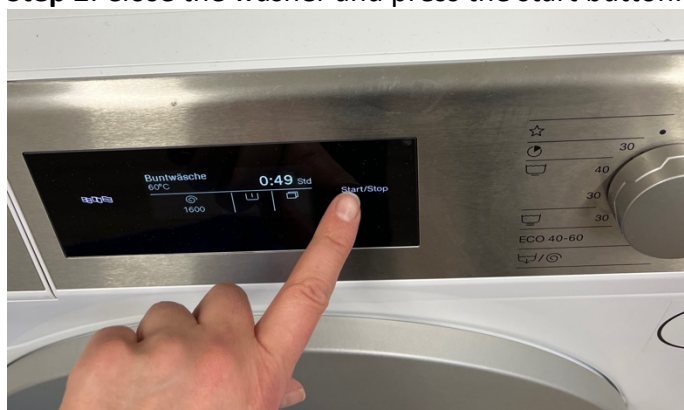

Washing

(Machines 1-5)

Step 1: Select the desired program on an available machine and load your laundry and detergent.

Step 2: Close the washer and press the start button.

Step 3: Go to the terminal and select the corresponding number of the washing machine.

Step 4: Press "Gerät starten".

Step 5: Hold your transponder for a few seconds on the designated area.

After a few seconds, the credit is debited, and the wash cycle is initiated.

Dryer

(Machines 6+7)

Important: Please check if the lint filter is clean.

Step 1: Select the desired program on an available machine and load your laundry.

Step 2: Close the dryer and press the start button.

Step 3: Go to the terminal and select the corresponding number of the dryer.

Step 4: Press "Gerät starten".

Step 5: Hold your transponder for a few seconds on the designated area.

After a few seconds, the credit is debited and the drying cycle is initiated.

Important: Please clean the lint filter.
